Staple Fiber Plant Solutions

More than 4 million tons installed production capacity worldwide speak for themselves.

Oerlikon Neumag staple fiber plants stand for highest product quality and absolute reliability.

Oerlikon Neumags **compact 1-step staple fiber spinning lines** have an excellent flexibility with regard to the processable raw materials and titer range.

Oerlikon Neumag's **two-step staple fiber plants** are designed to meet highest quality requirements at minimum operation cost.
